

LOTTUS SLEDGE CHAIR

enea

BY Lievore Altherr Molina

Lottus sledge chair has a steel structure that comes in chrome or lacquer option in any of our colours and has a broad range of finishes available: wooden shell with frontal upholstery option, polypropylene shell with or without polypropylene or upholstered seat pad, or fully upholstered one. Furthermore, it is possible to add wing arms, making it suitable for different spaces and for hanging on the tables for cleaning floors.
