- Optional ultraviolet-resistant polypropylene for outdoor use

## Measures

## Accessories

Felt foot pads

Linking device

The Mate C chair features a 4-legged frame with steel legs that can be lacquered in any of our colours. It can also be customised in a great number of finishes, including a polypropylene shell, with the choice of an upholstered seat pad, and a fully upholstered option. It enables stacking of up to 12 units, which makes Mate C the perfect chair for either multi-purpose event rooms or hospitality environments.
