Bio - Bio L / Projects

Josep Llusà

The **Bio** chair created and designed from a steel tube structure, painted or chrome integrates perfectly with the seat and backrest. Tough and stylish, includes among its main features, the comfort of its seat and the effectiveness of its forms. It is also lightweight and stackable and thus ideal for contract spaces that require multiple use of seats. Taking advantage of the Bio lines, it creates the **Bio L** a version with a longer backrest suitable for meeting rooms.

Betting for the comfort on the contract spaces, both the Bio chair and the Bio L chair are designed so that can incorporate a writing tablet, also have a linker system designed especially for creating fixed rows of chairs.
