

# Side Table Puck

Inspired by life  
made by enea

The Puck table has a steel structure lacquered in any of our colours and its table top is available in different finishes.

This side table goes perfectly with the poufs from the same collection, and with other furniture from our catalogue, and can be placed in front of the chair or to the side.

Thanks to the layout of its structure, it is perfect for corporate areas and domestic settings.

## Structure

---

H640

---

## Sustainability

---

- Ecodesign (ISO 14006).
- Selection of upholstery fabrics in wool, recycled (and recyclable) fibres and leather.
- Highly recyclable PP with low additive content, in accordance with EU recommendations to improve plastic recyclability.
- With the end-of-life stage in mind, the number of components has been minimised and they are all easy to separate and can be 100% recycled or reused.

---

## Certificates

---

- Environment compliant with ISO 14001.
- Indoor Advantage Gold certified (air quality in interior spaces).

---

## Warranty

---

5 years
