

Caddy Coat Stand

Inspired by life
made by enea

Our Caddy hanging system demonstrates that auxiliary furniture can also be the centre of attention and a statement of style in itself.

This elegant and minimalist coat rack allows you to play with different tones, textures and materials.

Either as a wall-based coat hook or a traditional floor-based coat stand, the Caddy collection stands out for its elegance and minimalism, adding a touch of quirkiness to all types of environments.

WALL

Sustainability

- Eco-designed (ISO 14006).
- Hooks made of injected polypropylene or solid beech wood.
- For the wall version, the wall mounting brackets are made of injected aluminium.
- The number of components has been reduced, and their ease of separation has been enhanced, to make the end-of-life phase more manageable. All these components are 100% recyclable or reusable.

Certificates

- Environment management system that meets ISO 14001.
- Indoor Advantage Gold certified (indoor air quality).
