

Lounge chair Kua

Inspired by life
made by enea

The Kua 4R armchair features a fully upholstered shell and a 4-star aluminium base, with return system, which can be either polished or lacquered in any of our colours. It includes a tilting mechanism that allows it to be reclined or locked in the forward position.

This is a comfortable and elegant armchair that is ideal for a quiet corner at home, or as part of waiting rooms or receptions in hospitality and work areas. It can be combined with the ottoman from the same collection for greater comfort.

Kua has been designed to envelop you in a sense of relaxation that invites you to disconnect and reconnect. Its elegant contemporary design, combined with quality made by enea and premium materials, will transport you to a world of calm and sophistication. The perfect haven for inspiring moments.

FULL UPHOLSTERY

Sustainability

- Eco-designed (ISO 14006).
- Polyurethane foam free from latex or dangerous substances.
- Selection of upholstery fabrics made of wool, recycled (and recyclable) fibres, or leather.
- The number of components has been reduced, and their ease of separation has been enhanced, to make the end-of-life phase more manageable.
- All cardboard used in its packaging is recyclable.

Certificates

- Environment management system that meets ISO 14001.

Warranty

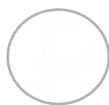

5 years.
