Measures

Accessories

Felt foot pads

Footrest protector

Lottus sledge stool with backrest has a steel structure that comes in chrome or lacquer option in any of our colours and has a broad range of finishes: polypropylene shell with or without polypropylene or upholstered seat pad, or fully upholstered one. This model is available in two heights: a high one for cafes, bars and restaurants, and a medium-height one for more corporate and residential spaces. Besides, the high one has an alternative that can be stackable.
